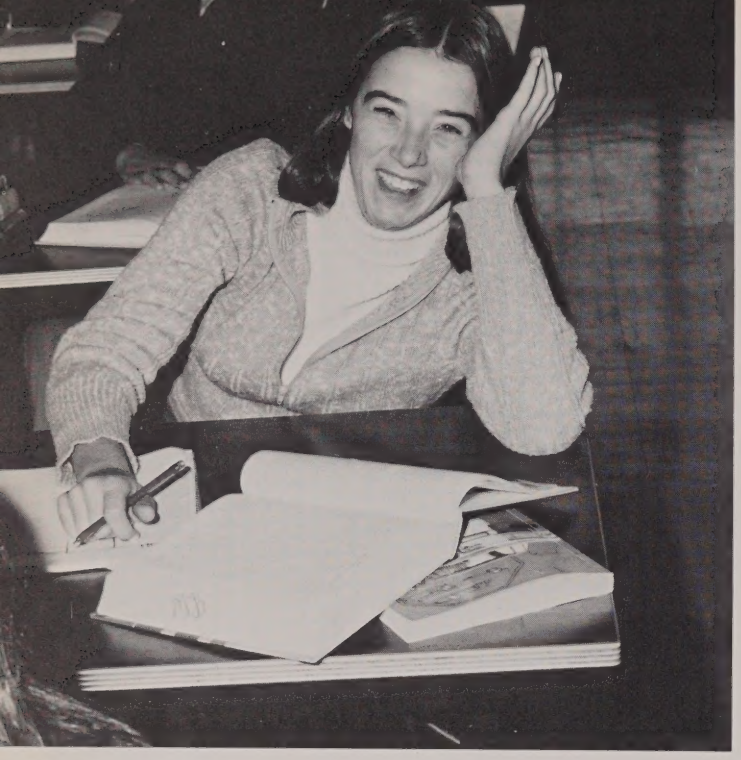
UNDERCLASSMEN

I AM ONE; LOOKING BACK I SEE MYSELF.



Cheer up, Michele.

OK, girls, Who makes lunch today - Mama Maria or O'Guy?

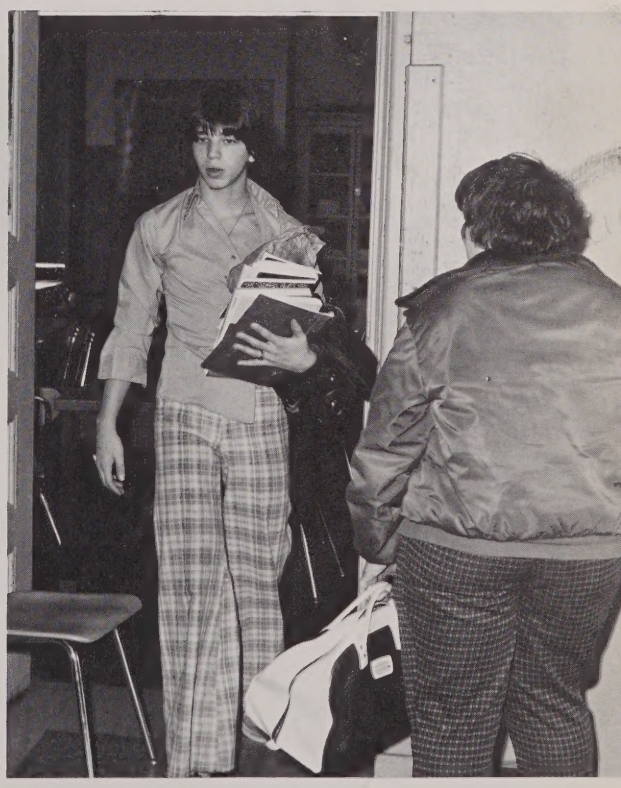
Boy! What a workout - and that was just walking back from gym!

Yes, I did make it to school today!

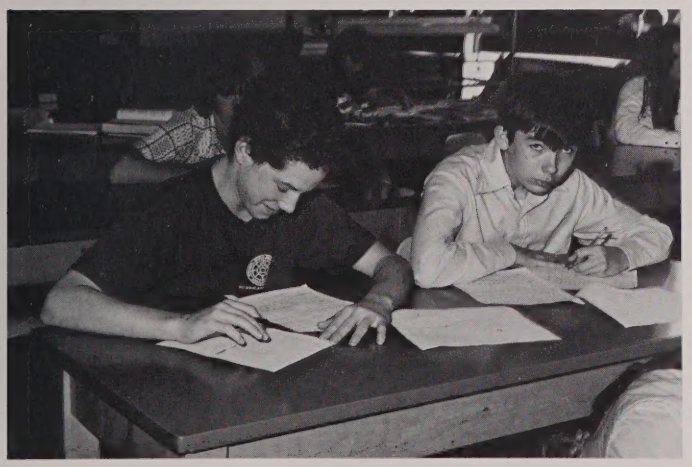
Never part a man and his milk!

My gum is stuck and I can't close my mouth.

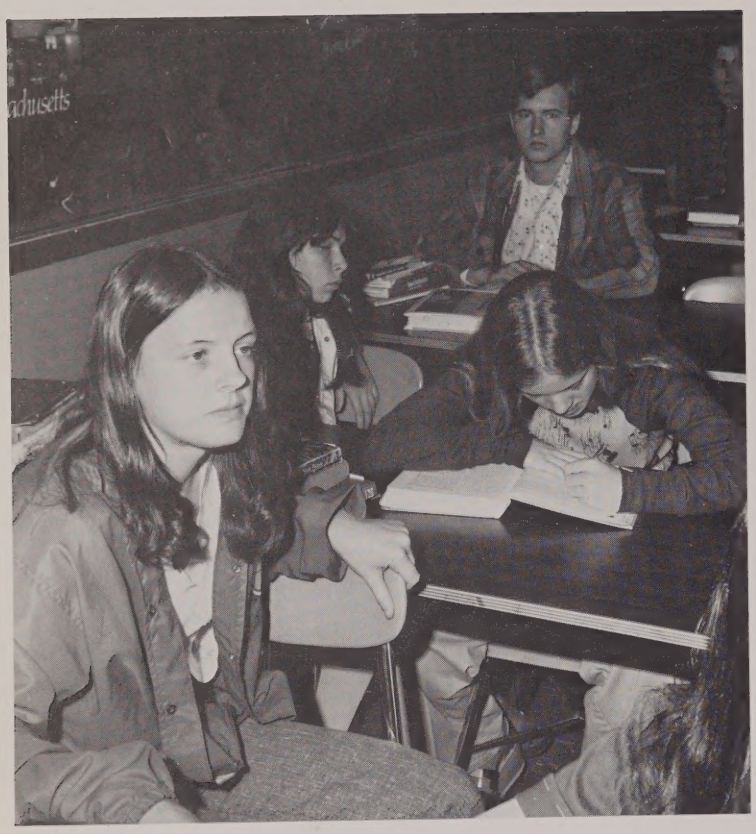
Do you believe that fruit flies have a sex life?



Boy - A few 50's on a test and they flunk ya. What a school!



This is the best note for being absent I ever wrote.



There's got to be a better way to spend a day.

Yes, Mr. Jarvis. It's an experiment in holding up walls.

Did you have to tell me that before lunch?

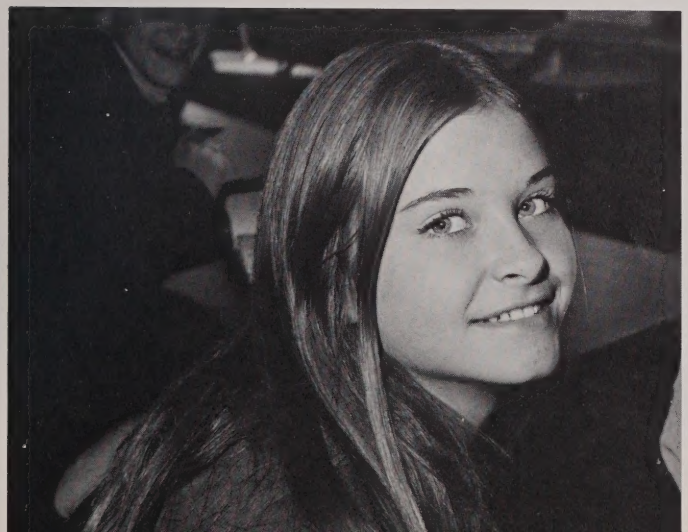
Studying tires him out.

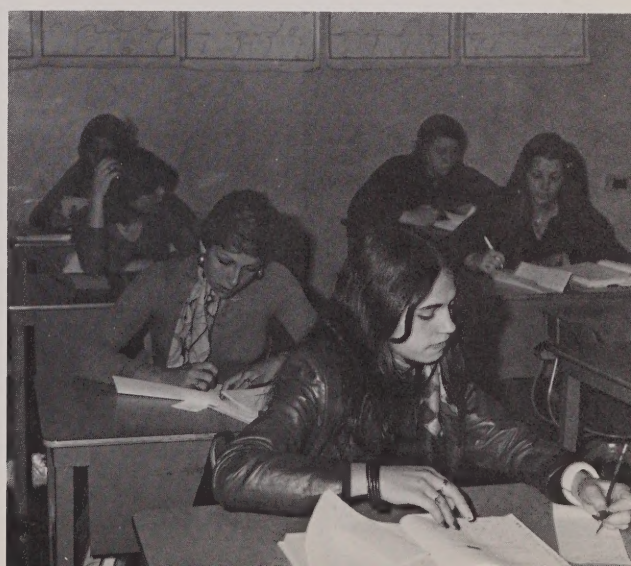
Cheryl Jones

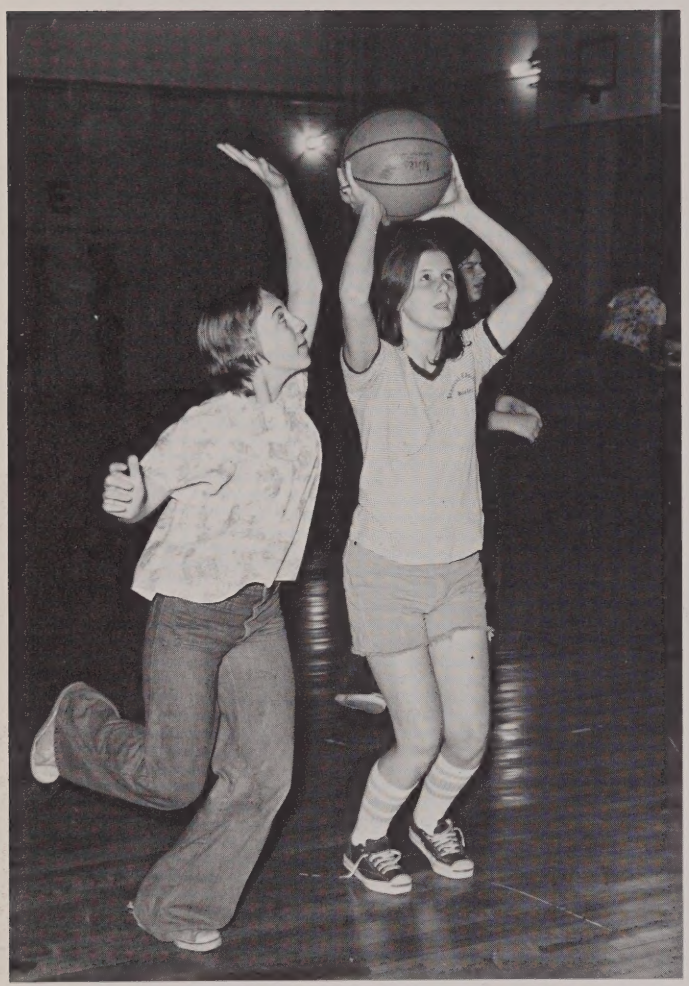
The only thing I got right on this whole test was my name!

Robert Redford - Look out!

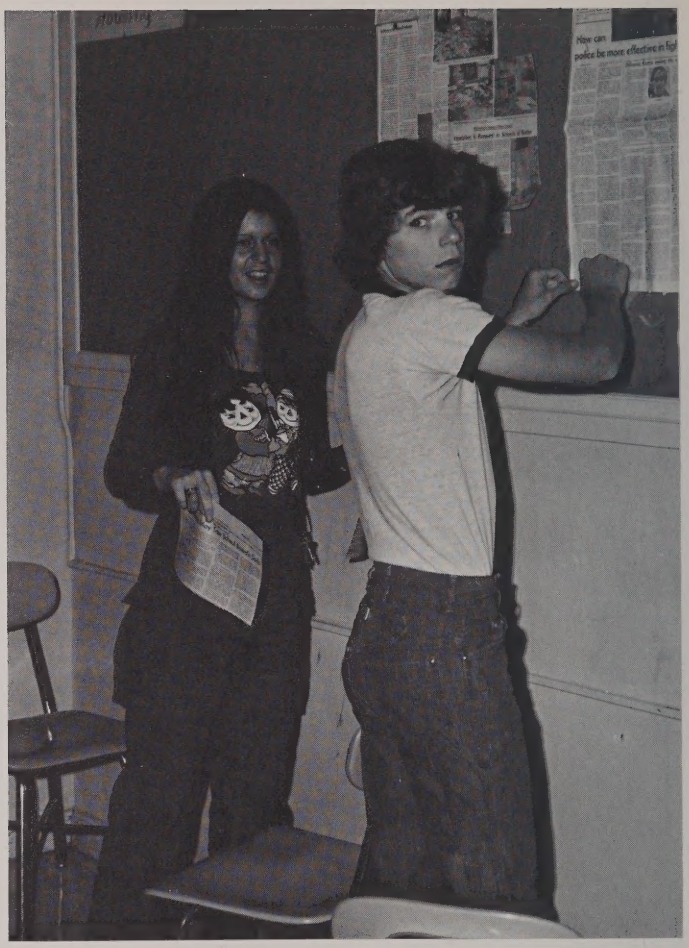
No - It's NOT my I.Q.







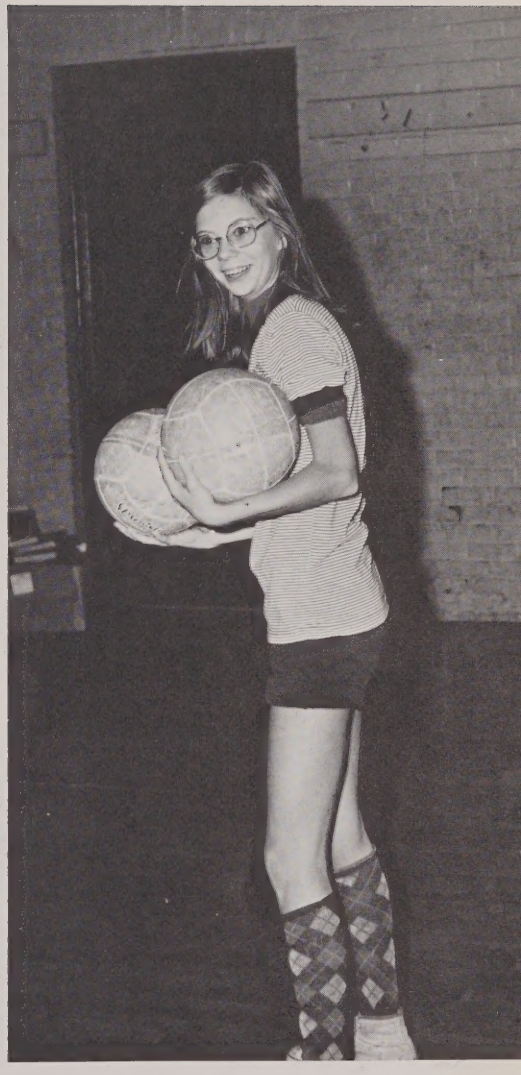
No way you get 2 points while I'm around!



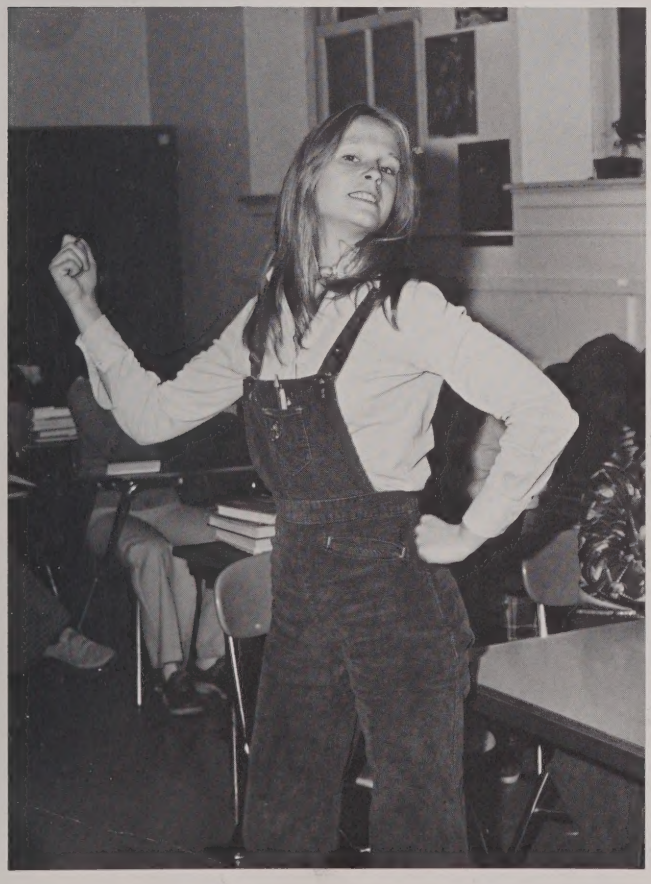
Of course we don't need a chaperone!

This is a job for Mr. Glad!

It's not that I don't want a cigarette, it's just that I don't think we ought to smoke in class.



Under the shirt, Grace, not outside the shirt.

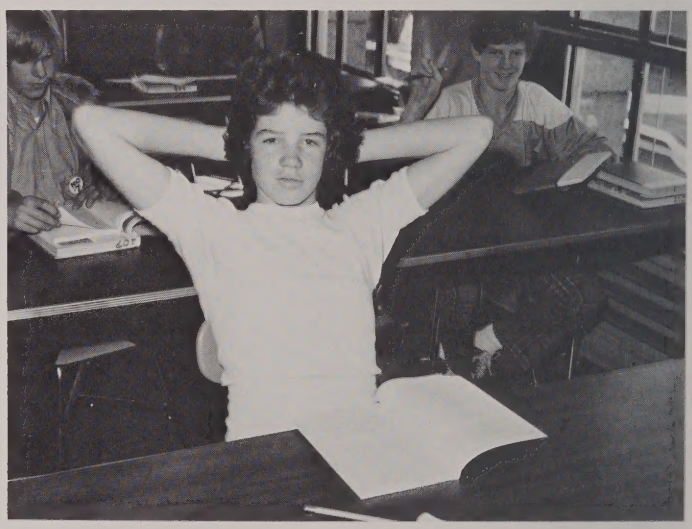


No, Miss Doherty, you cannot thumb a ride to the back of the class.

He has the hariest legs I've ever seen!

Thank goodness it's Friday!

The next person who pulls my braids has HAD it.



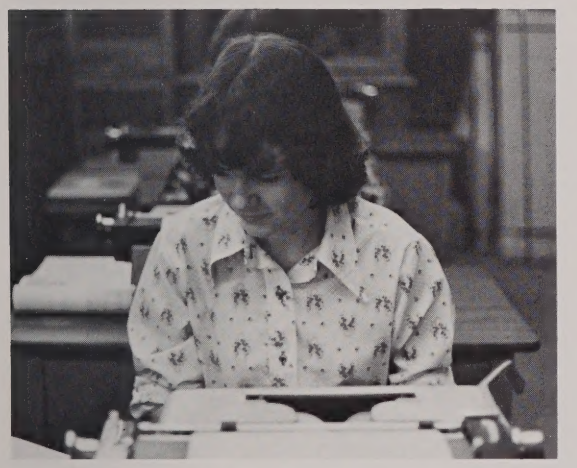
The reason I don't have my homework is because my arms are stuck here.

Please - Hollywood will have to wait till I graduate.

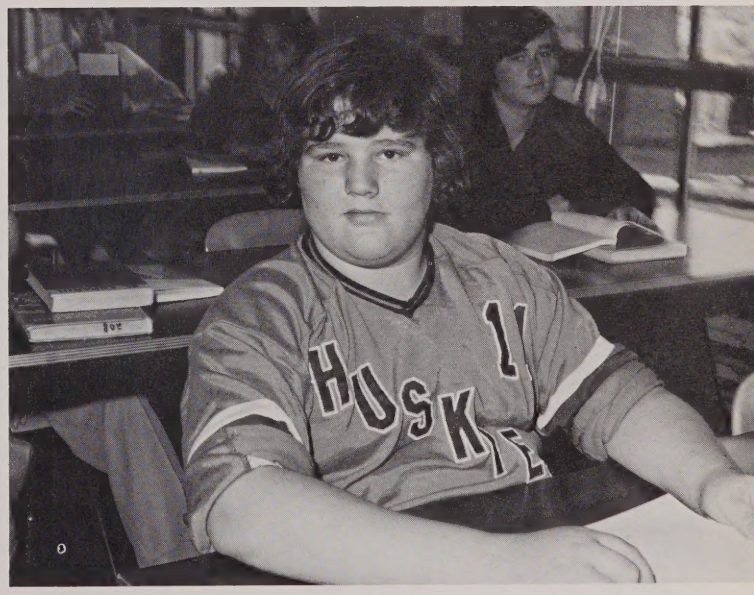
That wasn't as funny as you said it was going to be.

My left profile is best.

Would Fonsie do this if he were in my place?



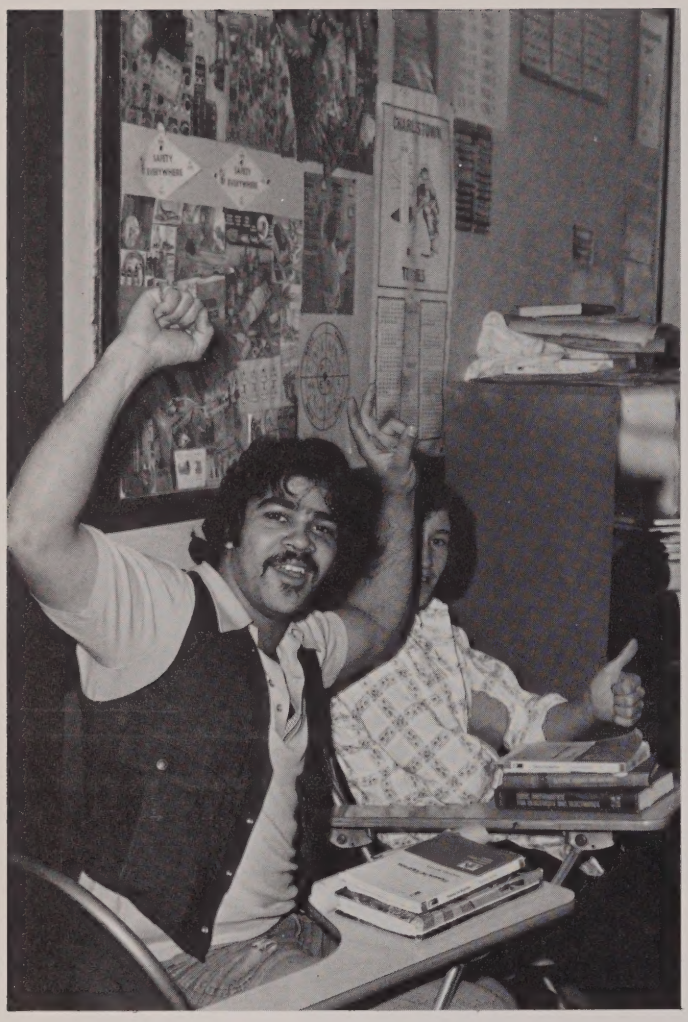
I type the alphabet fine--it's the words I have trouble with.



I don't wear this shirt for nothing!

CO-OP ELECTRICAL

I AM ONE; LEARNING AS I WORK, WORKING TO LEARN.



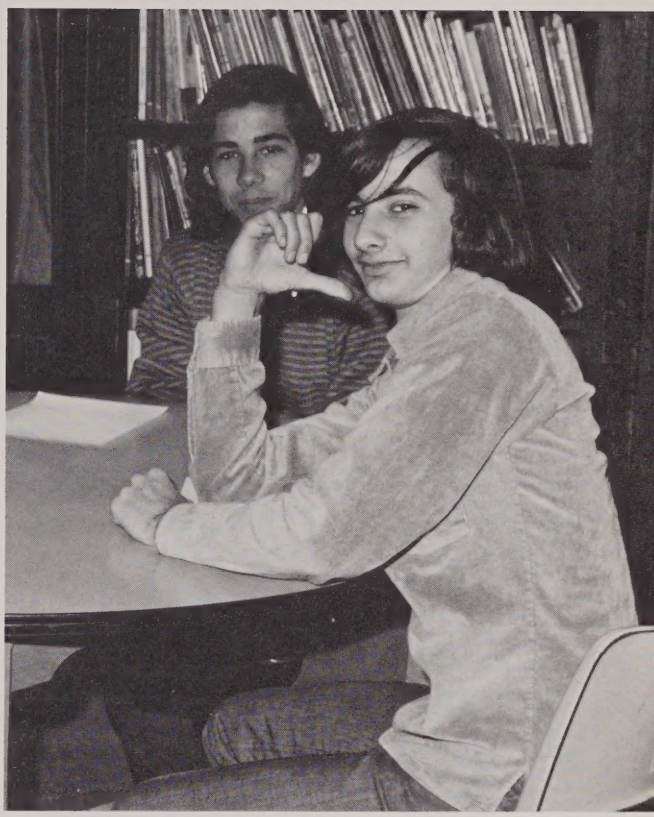
Believe me, Mr. Sbardelli, it's not worth a murder rap.

Come out from under the table, Mr. Substitute Teacher. No one is going to hurt you.

It's been so long since I've seen a girl even Mr. Rabb looks good.

Don't take my picture. I didn't comb my hair this morning.

What's that? You want change for a hundred?



Ya, that's right! I'm number one!

Mr. Wilk, it really is an emergency. I have to go to the lav.

Mooooooo!

Hello! Hello! Tokyo, Japan?

No problems here, Mr. Marrone. It's just that we push this wire and the class self-destructs.

Joe and I are here to explain basic electricity to you.

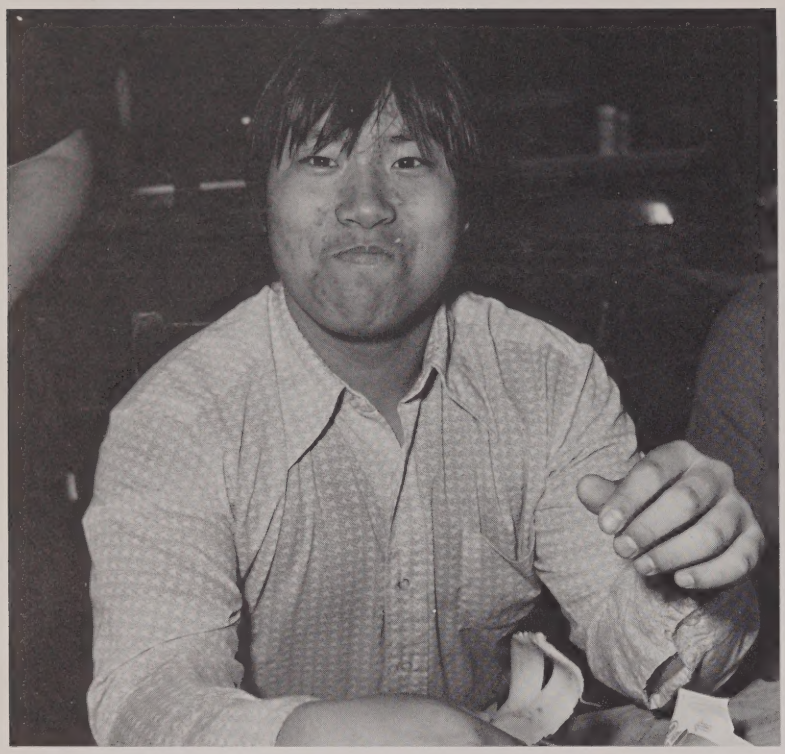
All I have to show for three years is sharp pencils.

Dig the centerfold from POPULAR MECHANICS.

No, THIS is how you start a fire drill.

"Everything You Always Wanted To Know About MURPHY But Were Afraid To Ask."

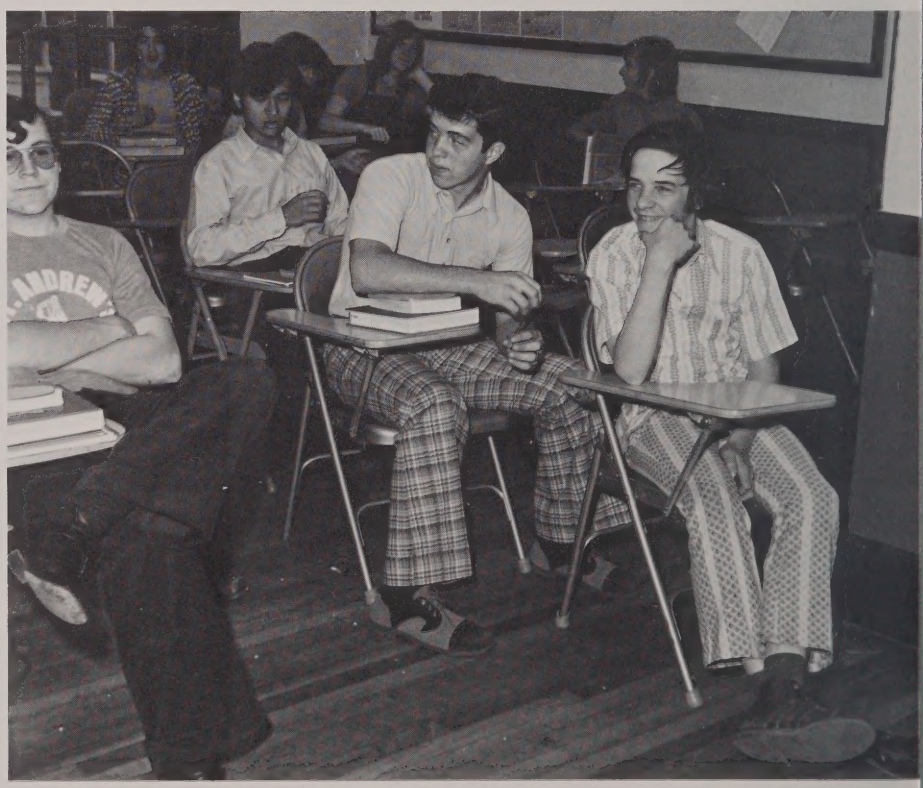
Peek-a-boo



It's not my problem that you got a bad fortune in your cookie.

Do you know who you're talking to?

Who turned on the lights?

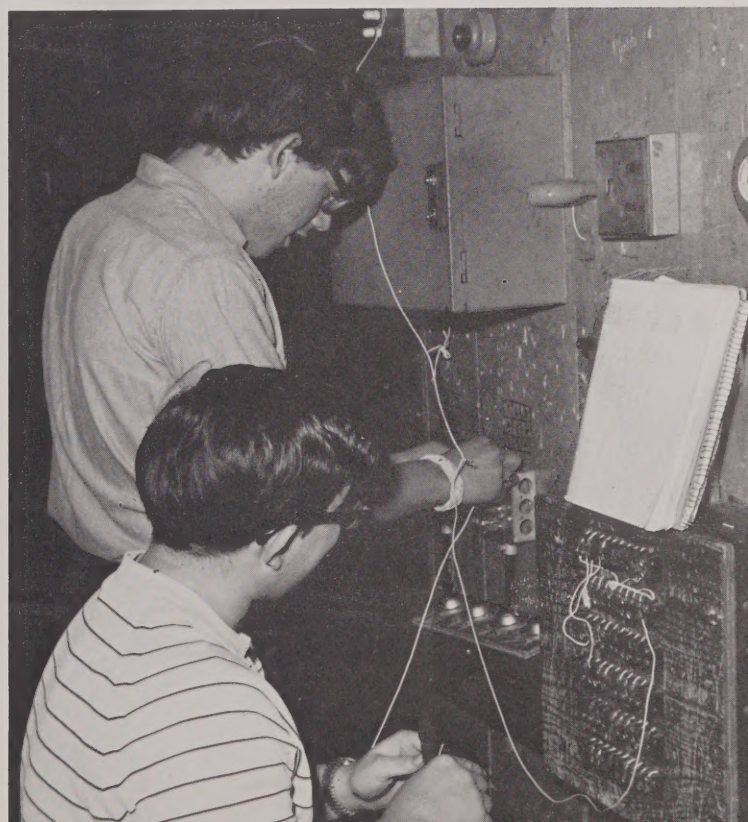


Can you tell I dressed myself this morning?

That's the last time I'll have my dungarees starched.

"How to Scoop a Chick In Three Easy Steps" by Keith Shuman.

Who stuck the bubblegum on these wires?



There's no reason to be afraid. Just stick your finger in here and...

Ick! What a mess!!

We made this young boy out of spare parts, folks.

I think these are the wires to Mr. Nanes' chair.

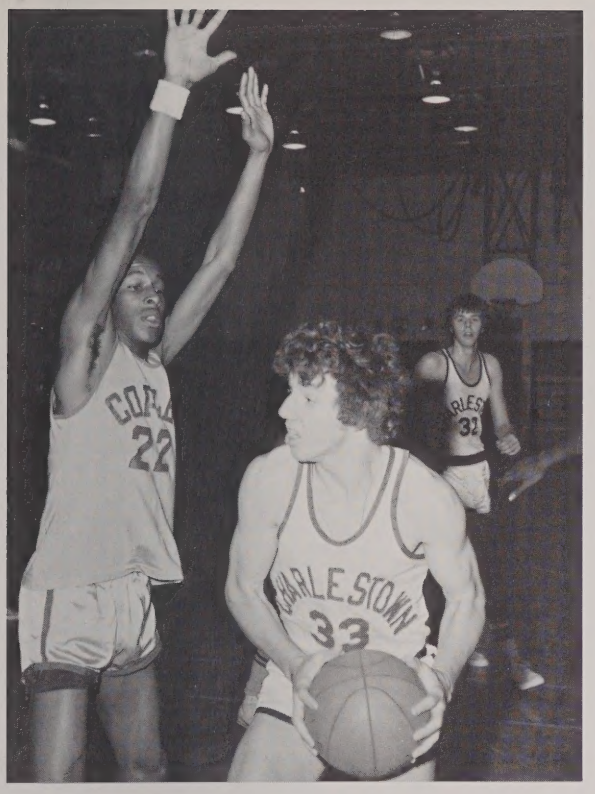
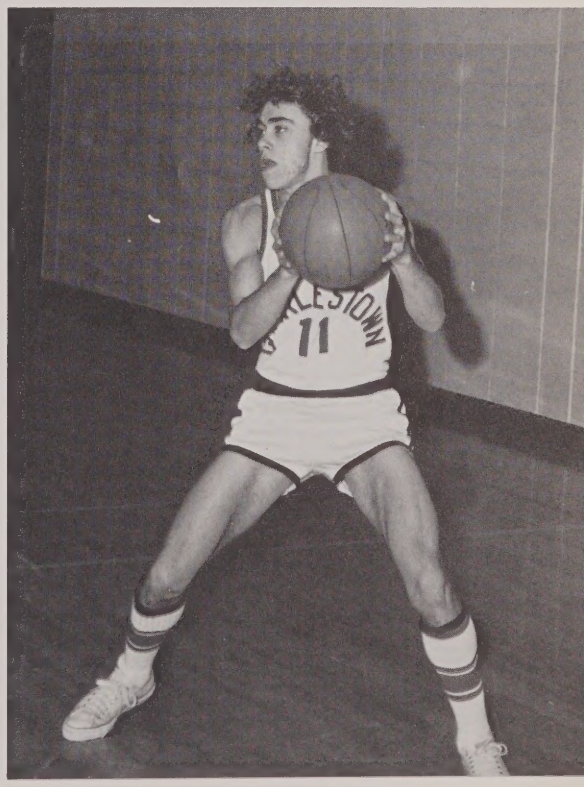
Talk about an outside shot...



Hey, coach!! What do I do now?

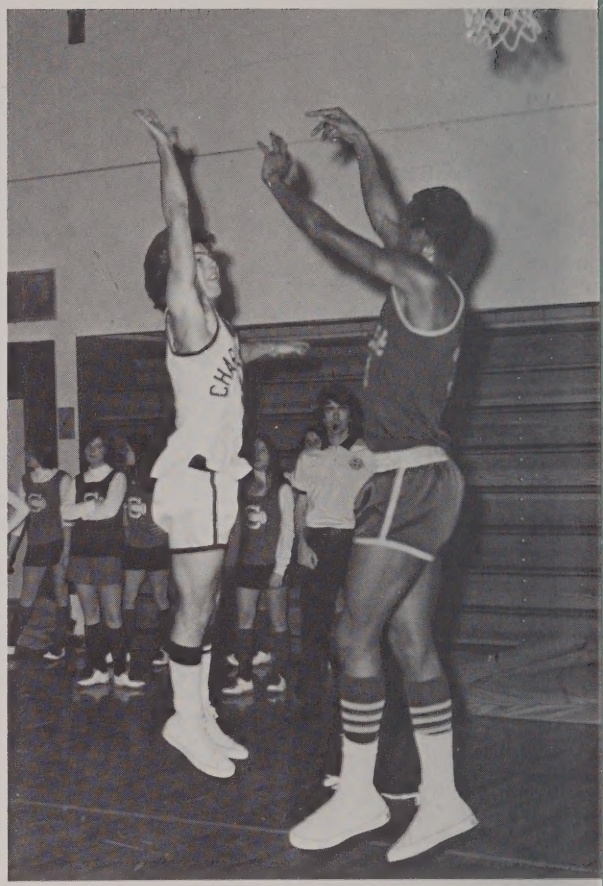
Well--we can't get every basket.

You dribble that ball once more and I'll dribble your head.



Did I just split my pants?

A nice steal for Timmy--if he can stay on his feet.



You may be taller, but I jump better.

Quiet, you're ruining my concentration.

Oh, come on. Let us go out to the car.

Oh, Mickey, come on. I just want one little bite of your pie.

Kevin, stop tickling me!

I have absolutely no idea who I'm dancing with.

What a crew.

Don't we make a nice couple?

Miss Kestner on the move.

".. and now girls, I'd like to tell you a little more about myself."

I still don't know how you swallowed your earring.

We both had our hair done for the dance.

Timmy, did you take a shower after the game?

Now, see how my taking 2 girls as dates worked out fine?

Susan & Arnie.

MEN-WOMEN

WANTED, VOLUNTEERS.

Today's Army is an Army of volunteers. The many people who are in the Army are in it because it's a good place to be in.

Partly because of the benefits. A monthly starting salary of $344 (before deductions). With a raise to $383 in just four months. Plus free housing and meals, free medical and dental care, free job training, 30 days paid vacation a year.

Partly, too, because of the personal challenge. The discipline. The mental and physical demands. The early risings, hard days, and late nights.

In the Army, we don't have time clocks. And in the Army, you don't get paid overtime. Soldiering is a full-time job.

We don't require prior experience. But we do require high standards. And if you meet them, you're the kind of volunteer we want. The kind your Country needs.
